

# Welcome to Dancerz Unlimited!

We offer a well-rounded program with classes in tap, jazz, ballet, hip hop, pointe and lyrical, beginning through advanced levels, ages three and up. Emphasis is placed on technique and performance. We teach a progressive syllabus and produce two shows a year: a holiday showcase in November or December and a traditional recital in May or June. Guest teachers from the professional dance worlds of college, university, the stage and New York teach master classes occasionally throughout the year.

## Class Descriptions:

**Creative Movement** - ages 3-4. A structured, yet flexible class, with emphasis placed on self-expression, coordination, mobility and freedom of movement. Class is 45 minutes.

**Pre-K Combo & Combo I, II, III** - ages 4-7. Combination classes are approximately 30 minutes of ballet and 30 minutes of tap, both on an elementary level. Fundamentals and technique are stressed. Pre-K Combo is 45 minutes. Super Pre-K Combo includes 20 minutes of tumbling.

**Beginning Tap and Jazz I, II** - ages 8-12. For the older beginner student or the younger student who has just completed class at the Combo level. **Intermediate I-II** - ages 10-14. Same class format as beginning tap and jazz but more advanced work.
